President's Message

President: Pat Varricchio

Vice President: Ed Watt

Treasurer: Diane Varricchio

Co-Editors: Ken & Cheryl Holquist

What a great day it turned out to be for our Chapter Picnic. We had 22 in attendance (21 members plus one guest), and a lot of good food and good Falcon fellowship. Ron Roberts, (Jack's son) came along with Jack and brought his 65 Falcon Tudor. Everyone enjoyed looking over his handiwork in and around the car. What a great job! During the business meeting, we discussed the upcoming Gettysburg Regional. A lot of folks stepping up to help with various aspects of the Regional, it was good to have so much support from everyone.

The Chinese Auction saw a lot of items change hands several times, and let me tell you, there were some interesting strategies at work in this bunch. You'll just have to come and experience it yourself sometime. I've seen a photo image of the quilt being made by Belinda Maxwell for the Gettysburg Regional. All I can say is "Wow"! What a great job! Thank you, Belinda for offering your skills and talents to get this ready for September! Several Car Show opportunities are listed elsewhere

in this edition, check your schedules to see if you can make it to one or more of them. We hope to see you there.

Mason - Dixon Gettysburg Fall Regional -

It is official, folks! We are hosting a Regional Show on September 6th and 7th 2019!

There's lots to do, it's "**all hands on deck**" for the Mason Dixon Falcon Club! The Hospitality Committee will be chaired by Cheryl Holquist and Naomi Henderson, and will have everything to do with lunches, snacks, desserts, and beverages for both days. We are building the hospitality team and have some volunteers, but if you missed the meeting, or didn't get a chance to sign up to help, just give Cheryl a call and leave a message, or send a text to 717-658-7461. We will need members to volunteer time to staff the Hospitality Room, make and bring some yummy desserts, set-up and clean-up, and help plan food. More information will be coming very soon to Hospitality Team members.

The Parking Committee is comprised of Ed Sickels, John Vanatta, Tom Lauppe, Jim Larkin, Jack Roberts, and Ronnie Hutchens, but as of this printing, no chairman has been appointed yet. As soon as that is determined, I will get it out via another email.

Diane Varricchio will lead the Registration Committee. She is busy already with advance registration and will be in need of some assistance as we get closer to show time.

Many of the Regional shows around the country have seen a drop in the number of volunteers to help with the different aspects of their shows. Based on the enthusiasm and number of members committed to hosting the Gettysburg Regional show, we foresee only success, fun, (and yes, some hard work), and a great event! It is great to see the team-work already happening with the M/D chapter as we pull this together. That's what makes this chapter great! We are looking forward to getting as many members involved as possible and share in the fun! So, if you missed the meeting and want to

help, please give Pat or Diane a call and let them know you would like to be a part of this upcoming Gettysburg Regional. Let's all help to make this a regional show to remember!

Happy Anniversary !!! -

On behalf of the entire Mason-Dixon Chapter, we would like to wish Mike & Pilar Garrett a Happy 40th Anniversary. May your year be blessed with good wishes, good friends, and good travels as you celebrate this milestone! Cheers!

There's a new car in the crowd -

We would like to introduce you to someone new to the Mason - Dixon Chapter. Like all good newbies, he brought his Falcon to the Chapter Picnic and what a hit it was! This car is driveway engineering at its finest. Ron Roberts comes to us from the Glen Rock vicinity, and is the son of Jack Roberts. His Falcon was courtesy of his parents who bought it a few years ago in Warwick, RI at the National Meet and brought it home to

Pennsylvania. Due to health issues, Sue is no longer able to enjoy driving this car, so it transitioned to Ron. His first order of business was to remove all of the Dusty Rose paint from the outside of the car. Over a period of about six months, he transformed it into what you see here. The next time you see

this car, look for the owner and inquire about all the modifications he has made to it. Great job, Ron!

Car Shows -
